Hi Sanket,

Happy to have you on board with the Blitz team. We are excited to learn from you and have your value in addition to the product that we aim to build.

Blitz is on a **mission** to give a hassle-free logistics experience to its users and our **vision** is to achieve 1 Day Delivery in India. And the way we execute this beautifully is that we take a **customer-first approach** and solve the real valuable needs of the customer.

During our journey, we will be keen to understand if the **company culture** works for you. If not, feel free to connect with me anytime at 8802226622 to discuss how we can improve it together. Because I personally believe in an **employee-first approach**, we always want the company to grow in the right direction.

Happy to onboard you again to the **Blitz team as a Product Support Intern of Product Development in Bangalore** on a Full-Time basis.
